

JEFF KHAN

Official Q&A

Q: When did you first become involved in the seduction community?

A: When I was in high school and didn't have the confidence to talk to women.

Q: What's the most valuable lesson a wing-woman can teach a man?

A: N/A

Q: In your opinion, what are the key characteristics of a successful pick-up artist?

A: Personal skill level and the ability to teach a replicable method.

Q: Do you think learning pick-up is misogynistic and manipulates women?

A: No, it teaches men how to be confident with women.

Q: How have you impacted the lives of the men that you've consulted and trained?

A: They are now able to approach women and get the relationship they've always desired.

Q: What has been the biggest milestone of your career?

A: So far, it's my threesome seminar and getting over 1 thousand views in 24 hours for my infield video "PUA Infield Makeout w/ Jeff Khan: When White Girls Think Asian Men Have Small Penises".

Q: What makes the ABCs of Attraction a recognized leader in the PUA community?

A: A holistic approach in teaching lifestyle development with a focus on multi-cultural clients.

Q: When working with clients, what are some of the key factors that prevent men from succeeding?

A: How do you help them overcome these obstacles? Their fear of approaching women. They can overcome it by developing their self-esteem and realizing that rejection isn't a big deal.

Q: What's the most valuable piece of advice you could give to a man struggling with meeting and attracting women?

A: If you never approach women you find attractive, you will never know what could've been. It's better to get rejected and know how she feels about you than to be always wondering if he actually had a chance so go outside your comfort zone and approach!

Q: What's the most valuable lesson you learned during your training?

A: The most valuable lesson I learned during my training is that I am enough for all women. Regardless of how beautiful and tall she is, I deserve her as much as any guy. No woman is out of my league.

Q: Who has been your biggest influence?

A: My biggest influence is obviously JT Tran. I was once insecure about being Asian and I assumed non-Asian women wouldn't find me attractive. My whole mindset changed when I saw JT teaching pickup on youtube and seeing this short Asian guy pickup tall non-Asian women opened my eyes.

Q: What makes you a recognized leader in the PUA community?

A: I have a lot of experience in pickup; I started learning when I was 16 years old. I am the Threesome and Polyamory expert at ABCs of Attraction. I've had more MFF threesomes than any other coach in the industry.
